

Be Thankful For What You Got - William DeVaughan

arr. Arietta Ward

Though you may not drive a great big Cadillac (ooo)

Gangsta whitewalls

TV antennas in the back

You may not have a car at all (ooo)

But remember brothers and sisters

You can still stand tall

Just be thankful for what you got

Though you may not drive a great big Cadillac

(G1)

Diamond in the back, sunroof top

Diggin' the scene

With a gangsta lean

Gangsta whitewalls

TV antennas in the back

You may not have a car at all (ooo)

But remember brothers and sisters

You can still stand tall

Just be thankful for what you got *(repeat 2x)*

(G2)

Diamond in the back, sunroof top

Diggin the scene

With a gangsta lean, wooh *(repeat 2x)*

Though you may not drive a great big Cadillac (ooo)

Gangsta whitewalls

TV antennas in the back

You may not have a car at all (ooo)

But remember brothers and sisters

You can still stand tall

(G2)

Diamond in the back, sunroof top

Diggin the scene

With a gangsta lean, wooh *(repeat 4x)*

Back In The High Life Again - Steve Winwood

It used to seem to me
That my life ran on too fast
And I had to take it slowly
Just to make the good parts last
But when you're born to run
It's so hard to just slow down
So don't be surprised to see me
Back in that bright part of town

I'll be **back in the high life again**
All the doors I closed one time will open up again
I'll be **back in the high life again**
All the eyes that watched me once will smile and take me in

And we'll drink and dance with one hand free
And have the world so easily
and oh we'll be a sight to see
Back in the high life again

Girl you used to be the best
To make life be life to me
And I hope that you're still out there
And you're like you used to be
We'll have ourselves a time
And we'll dance the morning sun
And we'll let the good times come in
And we won't stop 'til we're done

We'll be **back in the high life again**
All the doors I closed one time will open up again
We'll be **back in the high life again**
All the eyes that watched us once will smile and take us in

And we'll drink and dance with one hand free
And have the world so easily
and oh we'll be a sight to see
Back in the high life

We'll be **back in the high life again**
All the doors I closed one time will open up again

We'll be **back in the high life again**
All the eyes that watched us once will smile and take us in

And we'll drink and dance with one hand free
And have the world so easily
and oh we'll be a sight to see
Back in the high life again

Maggie May - Rod Stewart

Wake up Maggie I think I got something to say to you
It's late September and I really should be back at school
I know I keep you amused but I feel I'm being used
Oh Maggie I couldn't have tried any more
You lured me away from home just to save you from being alone
You stole my heart and that's what really hurt

The morning sun when it's in your face really shows your age
But that don't worry me none in my eyes you're everything
I laughed at all of your jokes my love you didn't need to coax
Oh, Maggie I couldn't have tried any more
You lured me away from home, just to save you from being alone
You stole my soul and that's a pain I can do without

All I needed was a friend to lend a guiding hand
But you turned into a lover and
mother what a lover, you wore me out
All you did was wreck my bed
and in the morning kick me in the head
Oh Maggie I couldn't have tried anymore
You lured me away from home 'cause you didn't want to be alone
You stole my heart I couldn't leave you if I tried

I suppose I could collect my books and get on back to school
Or steal my daddy's cue and make a living out of playing pool
Or find myself a rock and roll band that needs a helpin' hand
Oh Maggie I wish I'd never seen your face
You made a first-class fool out of me
But I'm as blind as a fool can be
You stole my heart but I love you anyway

Maggie I wish I'd never seen your face
I'll get on back home one of these days
