

Wicked Game - Chris Isaak

The world was on fire and no one could save me but you
It's strange what desire will make foolish people do
I never dreamed that I'd meet somebody like you
And I never dreamed that I'd lose somebody like you

No, I ___ don't want to fall in love (This world is only gonna break your heart)

No, I ___ don't want to fall in love (This world is only gonna break your heart)

with you

With you (This world is only gonna break your heart)

What a wicked game to play, to make me feel this way
What a wicked thing to do, to let me dream of you
What a wicked thing to say, you never felt this way
What a wicked thing to do, to make me dream of you

And I ___ don't want to fall in love (This world is only gonna break your heart)

No, I ___ don't want to fall in love (This world is only gonna break your heart)

With you

The world was on fire and no one could save me but you
It's strange what desire will make foolish people do
I never dreamed that I'd love somebody like you
And I never dreamed that I'd lose somebody like you

No, I don't want to fall in love (This world is only gonna break your heart)

No, I don't want to fall in love (This world is only gonna break your heart)

with you (This world is only gonna break your heart)

With you (This world is only gonna break your heart)

No, I _____ (This world is only gonna break your heart)

(This world is only gonna break your heart)

Nobody loves no one

Mariners Apartment Complex - Lana Del Ray

You took my sadness out of context
At the Mariners Apartment Complex
I ain't no candle in the wind

I'm the board, the lightning, the thunder
Kind of girl who's gonna make you wonder
Who you are and who you've been

And who I've been is with you on these beaches
Your Venice bitch, your die-hard, your weakness
Maybe I could save you from your sins
So, kiss the sky and whisper to Jesus
My, my, my, you found this, you need this
Take a deep breath, baby, let me in

You lose your way, just take my hand
You're lost at sea, then I'll command your boat to me again
Don't look too far, right where you are, that's where I am
I'm your man
I'm your man

They mistook my kindness for weakness (ooo)
I fucked up, I know that, but Jesus
Can't a girl just do the best she can?
Catch a wave and take in the sweetness (ooo)
Think about it, the darkness, the deepness
All the things that make me who I am

And who I am is a big-time believer
That people can change, but you don't have to leave her
When everyone's talking, **you can make a stand**
'Cause even in the dark I feel your resistance
You can see my heart burning in the distance
Baby, baby, baby, I'm your man (yeah)

You lose your way, just take my hand
You're lost at sea, then I'll command your boat to me again
Don't look too far, right where you are, that's where I am
I'm your man
I'm your man

(aaah) x4

Catch a wave and take in the sweetness (sweetness, sweetness)
Take in the sweetness (sweetness, sweetness)
You want this, you need this
Are you ready for it?
Are you ready for it? Are you ready for it?

Everyone Goes Home Alone - Kathryn Claire

Everybody's crying
If you're not crying then you're crying inside
Bottomless emptiness
From which I cannot hide

Butterflies and worn out lies
Around my head
Daredevils take their turns
With the words and the tears we've shed

Everyone goes
Everyone goes home
Alone

Walk her to the water
Take her to the edge and let her fall
You may try to turn around
In the end you hear her call

I am far from your faces
Far from the end of this tattered rope
Pulling a little harder
On the hands of hope

Everyone goes
Everyone goes home
Everyone goes
Everyone goes home
Alone
