

Little Of Your Love - HAIM

You're just another recovering heart
I wasn't even gonna try
You wouldn't even give the time
Could be so easy, you make it hard
Don't think about love too much
My love is gonna be enough

You're so close now
And I know now

You gotta **give me just a little of your
love, baby**
And I'll try
You gotta **give me just a little of your
love, baby**
And I'll try
You gotta **give me just a little of your
love, baby**
And I'll try
You gotta **give me just a little of your
love, give me just a little of your love**

Don't it feel like that night was from a
dream
I've never felt nothing like that
Looking at you, looking right back
You say nothing is ever as good as it
seems
Stop running your mouth like that
'Cause you know I'm gonna give it right
back

(Ooh, ooh, ooh)

(Ooh, ooh, ooh)

You're so close now

(Don't let me down) (Don't let me down)

So don't let me down

You gotta **give me just a little of your love, baby**
And I'll try
You gotta **give me just a little of your love, baby**
And I'll try
You gotta **give me just a little of your love, baby**
And I'll try
You gotta **give me just a little of you love, give me just a little of your love**

Oh with a little strength baby
Oh, I'll never let you down
With a little love,
a little love,
a little love,
a little love

(Oh _____)
(Oh _____)

Give me just a little of your love, baby
You gotta **give me just a little of your love, baby**
You gotta **give me just a little of your love, baby**
You gotta **give me just a little of your love, give me just a little of your love**

(ooo)

(ooo)

You gotta **give me just a little of your love, baby**
And I'll try
You gotta **give me just a little of your love, baby**
And I'll try
You gotta **give me just a little of your love, baby**
And I'll try
You gotta **give me just a little of your love, give me just a little of your love**

(ooo)

(ooo)

(repeat final chorus)
