

Harvest Moon - Neil Young

Come a little bit closer  
Hear what I have to say  
Just like children sleeping  
We could dream this night away

But there's a full moon rising (ooo)  
Let's go dancing in the light  
We know where the music's playing (ooo)  
Let's go out and feel the night

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
**On this harvest moon**

When we were strangers  
I watched you from afar  
When we were lovers  
I loved you with all my heart

But now it's getting late (ooo)  
And the moon is climbing high  
I want to celebrate (ooo)  
See it shining in your eye

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
**On this harvest moon**

(ooo) x2

Because I'm still in love with you  
I want to see you dance again  
Because I'm still in love with you  
**On this harvest moon**
