

Want You Back - HAIM

Some things are long forgotten
Some things were never said
We were on one endless road
But I had a wandering heart

I said we were opposite lovers
you kept trying to prove me wrong
and I know that I ran you down
So you ran away with your heart

(Said it from the beginning)
(Said you'd always see it through)

**Just know that I want you back
Just know that I want you back
Just know that I want you,
I'll take the fall and the fault in us
I'll give you all the love I never gave
before I left you**

**Just know that I want you back
Just know that I want you back
Just know that I want you,
I'll take the fall and the fault in us
I'll give you all the love I never gave
before I left you**

I know it's hard to hear it
And it may never be enough
But don't take it out on me now
'Cause I blame it all on myself

And I had a fear of forgiveness
I was too proud to say I was wrong
but all that time is gone
No more fearing control,
I'm ready for the both of us now

(Said it from the beginning)
(Said you'd always see it through)

**Just know that I want you back
Just know that I want you back
Just know that I want you,
I'll take the fall and the fault in us
I'll give you all the love I never gave
before I left you**

**Just know that I want you back
Just know that I want you back
Just know that I want you,
I'll take the fall and the fault in us
I'll give you all the love I never gave
before I left you**
